

How to access the Yazidi Course

1

Go to our course platform at irmhp.ca/courses

I DO have an account on the IRMHP course platform

I DON'T have an account on the course platform

Log in with your username and password

Create a new account

Hello! If you have not been enrolled in an IRMHP course, you will have to register an account to access our course platform. This process takes about a minute, here are the steps:

Fill out the account form with your details.

You will receive an email.

Read the email and click on the web link.

You will then have access to the IRMHP course platform, however, you will only be able to access the Community of Practice discussion board, all other courses are available only if you have registered for them, and the course is currently in session.

For all inquiries, email us at IRMHPproject@camh.ca

Create new account

2

Click the box labelled "Courses"

If you have an account but your login credentials aren't working, click on the "Forgotten your username or password?" button to reset your password.
